Scientific Programme

Day 1 **15TH MARCH 2022**

Session 1 - Chair: *J. Cadamuro*

- 10:00-10:30 Introduction and welcome address on behalf of EFLM
A.M. Simundic / J. Cadamuro
- 10:30-11:00 Opening lecture: What is new in pre-analytical phase?
A.M. Simundic
- 11:00-11:15 **BREAK**
- 11:15-11:45 BD Educational Workshop
Preanalytics at the clinic-lab interface: a clinician's perspective
- 11:45-12:15 Greiner Bio-One Educational Workshop
Glucose results are depending on the collection tube additive –
Experiences with the new VACUETTE® FC Mix tube
- 12:15-12:45 Acidification of 24h urine in stone forms - is it necessary?
- *J. Cadamuro*

12:45-13:45 Poster Presentation - visit the E-poster Area

Session 2 - Chair: *J. Cadamuro*

- 13:45-14:15 Preanalytical challenges and solutions in long distance
sample transport - *M. Cornes*
- 14:15-14:45 Impact of preanalytical phase on SARS-CoV2 testing
G. Lima-Oliveira

Scientific Programme

Day 2 **16TH MARCH 2022**

Session 3 - Chair: *A.M. Simundic*

- 10:00-10:30 PREDICT - a checklist for preventing preanalytical diagnostic errors in clinical trials - *G. Lippi*
- 10:30-11:00 IT solutions aiding in preanalytical process optimization (AI) *A. Von Meyer*
- 11:00-11:15 **BREAK**
- 11:15-11:45 Sarstedt Educational Workshop
Quality improvement in the preanalytical phase: current processes enriched by digitalised sampling tracking
- 11:45-12:15 How to adopt the ISO15189 regulation on preanalytical processes - *P. Vermeersch*
- 12:15-12:45 Transgender - *S. Costelloe*

12:45-13:45 Poster Presentation - visit the E-poster Area

Session 4 - Chair: *R. Stonys*

- 13:45-14:15 Implementation of pre-labelled barcode tubes and the GeT-System in a general hospital for the exact documentation of the time of venous blood sample and improvement of sample quality - *G. Baumann*
- 14:15-14:45 Interactive preanalytical cases - *R. Stonys*

Scientific Programme

Day 3 **17TH MARCH 2022**

Session 5 - Chair: *Z. Sumarac*

- 10:00-10:30 How to include your clinicians in the preanalytical process – a toolbox - *G. Baird*
- 10:30-11:00 Willingness of clinicians to collaborate with lab specialists in improving test requesting - *M. Ibarz*
- 11:00-11:15 **BREAK**
- 11:15-12:45 Visit the Exhibition Area and e-meet all sponsors
Remember to look for the gaming icon!

12:45-13:45 Poster Presentation - visit the E-poster Area

Session 6 - Chair: *M. Cornes*

- 13:45-14:15 The impact of preanalytical factors on results – A clinicians view on what this means to clinicians and patients - *T. Lewis*
- 14:15-14:45 Interdisciplinary improvement of the preanalytical phase: Nurses point of view - *K. Bolenius*
- 16:00 DEADLINE to vote for the Best Poster

Scientific Programme

Day 4 **18TH MARCH 2022**

Session 7 - Chair: *S. Costelloe*

- 10:00-10:30 Integrated Diagnostics: the future for laboratory medicine? - *M. Plebani*
- 10:30-11:00 Implementing change in preanalytical processes - From failure to satisfaction - *J. Cadamuro*
- 11:00-11:15 The importance of communication between clinics and laboratory specialist regarding possible preanalytical interferences - *P. Martin Audera*

12:45-13:45 Poster Presentation - visit the E-poster Area

Session 8 - Chair: *M. Cornes*

- 13:45-13:55 Preanalytical EQA for PTS: a modern pneumatic tube system monitoring tool for clinical laboratories - *H. Berghäll*
- 13:55-14:05 The IVD directive and shifting hil goalposts – don't look back in anger! - *A. Bransfield*
- 14:05-14:15 Reducing haemolysis in the emergency department: a lean approach - *A. Streng*
- 14:15-14:45 Poster Prize and Concluding remarks - *Panel*

General Information

Programme will start each day at 10:00 am, **Central Europe Time Zone** (Rome, Paris, Madrid, Berlin... Time Zone)

All sessions will be **recorded** and fully available for 12 months after the conference for all registered participants.

While visiting the E-poster Area please remember to “**Vote for the Best Poster**”. You can express 3 different preferences by filling in the corresponding IDs. The **deadline** to submit them is March 17th at 16.00

During the live streaming you will be called to some “**actions**” to be taken in order to **win a price** at the end of the conference!

Registration Fees

Full registration fee

within February 15, 2022
€ 150,00 +VAT 22%

from February 16, 2022
€ 200,00 +VAT 22%

Reduced registration fee for Students/Young Scientists*

within February 15, 2022
€ 100,00 +VAT 22%

from February 16, 2022
€ 150,00 +VAT 22%

EFLM Academy Members

within February 15, 2022
€ 100,00 +VAT 22%

from February 16, 2022
€ 150,00 +VAT 22%

EFLM Academy Members - Students/Young Scientists*

within February 15, 2022
€ 75,00 +VAT 22%

from February 16, 2022
€ 100,00 +VAT 22%

EFLM OFFICERS are entitled to a 50% reduction of whatever fee applies

(this opportunity applies only to Full Members, Young Scientists Members and Chairs of EFLM Working Groups)

* Please note that we identify Students and Young Scientists as participant <= 35 years old. Copy of the ID should be sent by e-mail to the Organizing Secretariat

The registration fee includes:

- Access to all Scientific Symposia
- Access to all Educational Workshops
- Certificate of Attendance
